FINANCING SOLUTIONS

Finding funds isn't child's play. However, a well thought-out and well crafted business plan managed by passionate, committed people will always find funding. With these conditions, anything becomes possible. So, go ahead: open your clinic. Expand your operations. Take over an existing clinic. Set up a partnership with another health care professional. Buy a property or the latest equipment. Whatever your dream, you can make it happen.

When you need financing solutions to maximize your business and simplify its management, we don't limit your choices to just one. Whether you're thinking short term or long term, we can offer you a solution tailored to your needs.

TYPE	SOLUTIONS	USES
Short-term financing	Operating line - asset based Operating line	<ul style="list-style-type: none"> » Purchase of supplies and other goods » Payment of short-term accounts payable » Settlement of various operating expenses » Fulfillment of operational needs
Long-term financing	Term loan - Equipment	<ul style="list-style-type: none"> » Replacement or modernization of equipment » Productivity improvements resulting from new technology
	Term loan - Leasehold improvements	<ul style="list-style-type: none"> » Modernization of facilities » Renovation of existing facilities for an expansion
	Term loan - Real estate financing	<ul style="list-style-type: none"> » Purchase of real estate for an expansion or relocation » Opening of a new clinic » Purchase of land for a new building
	Term loan - Goodwill financing	<ul style="list-style-type: none"> » Purchase of a clinic » Partnership with another health care professional » Equity loan

The conditions that apply to each solution will depend on its use. For the main solutions, pricing will be determined based on the value of your collateral, the financial health of your clinic, and its growth potential. Your capital, meanwhile, will be reimbursed based on a term related to the useful life of the assets you acquire.

ARE YOU READY?
